Patient Portal Authorization Form

Patient Name: _____

DOB: _____

E-mail Address: _____

Cell Phone #: _____

Advanced Urology will provide notices via your personal e-mail that information can be found in your Patient Portal. None of your personal health information available through the portal is transmitted via or into your personal e-mail. The following types of information may be used, disclosed, and retained by health care providers of Advanced Urology as a result of the communications:

1. My personal health information
2. Laboratory test results
3. Pathology reports
4. Other medical records

You will receive an invitation to join our portal via e-mail. Please take the time to accept this invitation so that we can communicate with you via the Patient Portal. For your initial Patient Portal log-in, your security code will be the year of your birth. You will then be prompted to change the code for security purposes.

We want your records to be complete and accurate. Please let us know if there is any problem with your records. Sometimes we may use medical jargon or make mistakes and it can lead to confusion. If something doesn't make sense, please let us know.

You can access the portal day or night, but we don't have 24 hour presence, therefore the portal should not be used for pressing issues. The portal is not intended for "web visits" or new problems. Keep in mind that if a message takes a long time to write, it's probably something better done in person at an office visit.

By signing this form, I authorize Advanced Urology to communicate with me via personal and secured access Patient Portal for all of my medical care and treatment:

ADVANCED UROLOGY, P.C. FINANCIAL POLICY

ACCT#:

INSURANCE BILLING: It is your responsibility to provide us with current and accurate personal and insurance information. As a courtesy, we will bill your insurance company; however, you are ultimately responsible for all charges incurred. Your insurance policy is a contract between you and your insurance company. It is essential that you are aware of the details of your policy. If a referral is required, you are ultimately responsible for making sure this is attained by your insurance company from your Primary Care Provider. We will accept assignment from your insurance company based on our contract with them.

CO-PAYMENTS, CO-INSURANCE, AND DEDUCTIBLES assessed by your insurance company are required at the time of service if specified. If you are unable to pay this at the time of a non-emergent visit, a $15 fee may be assessed, or your appointment may be rescheduled at the discretion of the physician. Co-insurance and deductibles are applied (based upon your specific plan provisions) at the time your claim is processed by your insurance company. We will estimate the amount due prior to surgery, and ask that you arrange payment for these amounts up front.

LABS: During the course of your care, you may need to have your blood drawn or other specimens collected and sent to an outside lab for processing. We bill for the collection and handling of these specimens, the lab will bill for the testing they perform. You will receive a separate statement from the lab for these services. You are responsible for letting us know if your insurance has a specific lab that must be used.

RETURN CHECK POLICY: We will assess a $25 fee for all returned checks. Your financial institution may assess additional fees as well. After repeated returned checks, we may refuse checks as a form of payment and require cash or credit card only. Collection of returned check will be pursued according to state statutes.

COLLECTION POLICY: Any charges incurred and not covered by insurance will be the patient's responsibility, including, but not limited to co-pays, co-insurance, and deductible amounts. As a courtesy, we send statements for balances due. Payment is due upon receipt of a statement. Payment plans are available by speaking to our Billing Department. Unpaid balances will be assessed a fee and may be referred to an outside collection agency.

CANCELLATION POLICY: We require at least 24 hours' notice to cancel a scheduled appointment. Not showing up for appointments, or not canceling within 24 hours prior to the scheduled date will be assessed a $45 fee for office visits, or a $75 fee for office-based procedures. A reminder call before your scheduled appointment is provided as a courtesy. However, there are no guarantees that you will receive a reminder call.

PHARMACY PRIOR AUTHORIZATION FEE: Due to the additional requirements from the insurance company and the administrative burden it has had on our staff, unfortunately a $15.00 fee is required in order to process pharmacy prior authorizations.

HIPAA: By signing below you hereby acknowledge that you have received and reviewed Advanced Urology's Notice of Privacy Practices. Please note that our current version of Protected Health Information and Patient's Right to Access health Information is posted in the waiting room. Our Privacy Officer is the practice administrator and can be reached at (303) 695-6106. Also, with this notice you are being notified that our physicians at Advanced Urology as part of research may review your medical records. You may be contacted to see if you would be interested in participating in a research study.

By signing below I acknowledge that I have read and understand the Advanced Urology, PC Financial Policy:
